

***** IMPORTANT UPDATE - LATEST CAA EXEMPTION & REGISTRATION *****

Following the recent update and issue of the latest exemption from the CAA we have had correspondence from members asking for clarification on the matter.

The BMFA's CEO has been in communication with the CAA over the matter with the hope of bringing a clearer picture and concrete guidance for BMFA members.

With the social media rumour mill doing its best to muddy the waters, can we ask that our members please sit tight for 24 hours whilst the CEO works hard for a clearer resolution.

Further updates will follow... Please keep checking the BMFA's Official Facebook page at <https://www.facebook.com/BMFAOfficial/> and here and your emails for further guidance.

The CAA are in the process of sending out Operator IDs for all those who registered through the BMFA before 10th February. Please check your junk/spam just in case.

The email comes from email address caa@notifications.service.gov.uk
